Sterling Invest Ethical Income Fund inception date: 01 February 2021 | * Since inception is calculated from the month following inception date Returns shown may represent a fee class different to the actual return received by the investor.

Sources: FE Analytics and Fund Manager ** Drawdown is a 10 year calculation (if available)

MODEL	FEES

Base Fee (ex vat): Performance Fee and other costs (ex vat): Vat:	0.50% 0.03% 0.08%
Model TER: Transaction costs:	0.61% 0.02%
Model TIC:	0.63%
Discretionary Management Fee (ex vat):	0.300%

Current Net Yield: 4.17%

These are estimated weighted average fees, based on clean fees at benchmark. Therefore, fees reflected may differ from the end investor's fee due to platform variations on fee classes and rebates.

TERs for the underlying funds are calculated on the average annualised costs incurred over the last 3 years, as per ASISA reporting standards, and are therefore not necessarily reflective of the current costs to investors.

portfolios

This factsheet is not an advertisement, but is provided exclusively for information purposes and should not be regarded as an offer or solicitation to purchase, sell or otherwise deal with any particular investment. A model portfolio is not a unit trust, it is a collection of Collective Investment Scheme/Unit Trust funds held under a single account with an administrative FSP. Model portfolios are only available to clients of authorised FSPs. There are risks asociated with the underlying investments and past performance is not necessarily an indication of future performance. Performance is not guaranteed and therefore an investor may not get back the initial amount invested. A model management fee will be charged by Fundhouse, in addition the underlying Collective Investment Schemes will levy their own charges. No commission or incentives may be paid to Fundhouse. This document is protected by copyright and may not be copied, reproduced, sold or distributed without prior written consent.
